### **ANALYSIS**

This resolution changes the name of Devilwood Drive to Sugarberry Drive.

Pursuant to NH RSA 231:133, the city's governing body (board of aldermen) may change the name of any street at any time when in its judgment there is occasion for so doing. No street name shall be selected which is already in use, or which is confusingly similar to any such existing name, or which otherwise might delay the locating of any address in an emergency. Such name shall be placed in at least 2 conspicuous places on said street. Whenever a name change is made, the city clerk shall make a record of the name change and shall forward a copy of such record to the commissioner of transportation.

As Article V ("Street and Building Identification Standards") of NRO Chapter 6 ("Building Regulations") provides that the overall responsibility for the enforcement of that article shall be that of the fire department, this resolution should be referred to the fire chief for recommendation.
